Good day, dear friends!

- By tradition, we'll begin with the song that won last year.
- So meet the band «Горошины», please!

(группа «Горошины» спесней).

- We'd like to begin our trip with the place where we were born. Mari El is our homeland with picturesque nature, magic songs and talented people.

MEET Vorontsov Nikita.

(стихотворение о Марий-Эл рассказывает Егорошина Ксения)

- Thank you, Nikita. Now let me tell you a secret! The author of this song is our music teacher Tatyana Orlova.
- It's so wonderful! What creative teachers we have! And we continue our trip across Europe. As people say: "To see Paris before you die"
- Will you meet **Ida Simonova**, who loves France so much!

(Ерина Настя со стихотворением о Париже)

Cetteville aux longs cris

Qui profile son front gris

Cent tourelles clochers greles

C est Paris!

- And now another country. It has an interesting history and customs and accurate people. What country do you think, it is?
- Oh, I've guessed, it is Germany.
- Please, meet our guests from Germany.
- **(Ямалеева Азалия и Кириллова Полина спесней клоунах)**

(Сергей Милютин со стихотворением о Германии)

*Wie herrlich leuchtet
Mir die Natur !
Wie glänzt die Sonne !
Wie lacht die Flur !*

*Und Freud und Wonne
Aus jeder Brust.
O Erd, O Sonne !
O Glück, o Lust!*

- That's great! Let's go on!

And now, Roma, imagine! A sea with waves, a beautiful modern ship and foggy island. It is ...

- It is England.
- Yes! Right you are. It is the motherland of Shakespeare and the most popular group "The Beatles."
- Now we are presenting a real English song.

(Щеголев Алексей со стихотворением)

The rain of London pimples

The ebony street with white

And the neon lamps of London

Stain the canals of night

And the park becomes a jungle

- I love this singer so much! She's brilliant!
- Sure! Let's continue our song performance.
- What about our neighbor countries?
- Oh yes, welcome to Tatarstan!

(Вырупаев Андрей со стихотворением на татарском языке)

- Well! What country do you think to be the best place to relax?
- Sure, it's Switzerland with the picturesque mountains.

And it's my dream to visit it!

- I hope you will! All dreams come true some day!
- And now welcome to this paradise!

(Кириллова Полина со стихотворением)

Nicht die Wüste, nicht der Strand,

Nicht die Küste, nicht das Land

Bringen es zum Schweigen

Wenn der Schmerz seineigen.

- Thank you! That was great! You see, I am getting bored.
- Really? But it's so interesting here!
- Yes, It is! But I missed our native country!
- You're right. East or West, Home is best!
- Welcome to Russia! And please meet our Music teacher Orlova T.M. All children love her so much.

(Ирина Рачкова со стихотворением)

Нет края на свете красивей!

Нет родины в мире светлей!

Россия, Россия, Россия-

Что может быть сердцу милей!

- Thank you! It was brilliant!
- You're right. But our festival is getting over. It was nice to see such talented singers.
- I hope, we'll get together here again.
- Yes! The more we get together-3 раза the happier we are.
- Oh, Mary your singing is not bad! You should take part in "Eurovision" by all means.
- Thanks a lot, Roma! I'll think it over!
- Unfortunately, it's time to say "Good buy".
- We wish you a lot of happiness and love!- вместе
